

Cardiac Catheterization Services

STANDARD ADVISORY COMMITTEE (SAC) CHARGE

APPROVED BY THE CON COMMISSION ON JUNE 21, 2006

The Cardiac Catheterization Services SAC is charged to review and recommend necessary changes to the Cardiac Catheterization Services Standards as outlined below:

1. Review whether facilities providing cardiac catheterization services in Michigan should be required to participate in either or both Blue Cross of Michigan Cardiovascular Consortium (BMC2) registry and the American College of Cardiology National Cardiovascular Data Registry (ACC-NCDR).
2. Review and examine minimum physician volume requirements and institutional volume requirements in the Certificate of Need Review Standards for Cardiac Catheterization Services.
3. Consider new and emerging technology.
4. How to demonstrate need and compliance looking at geographic locations, volume, and types of procedures.
5. Report to the Commission at the December 12, 2006 meeting about any additional priority issues not in the Charge.
